

## Cute & Happy

**'Happy Dogs'** of Kingston near Ringwood received a cheque from **Jill McKay** of the **Art Trail Centre** in Ferndown, as a result of a charity raising event organised by Jill and her husband Brian. On arrival Jill & Brian handed the cheque along with towels donated by Jill's students to Lyn Williams who runs the Centre. They were all greeted by seven little happy faces belonging to some newly arrived King Charles cross puppies.

Lyn thanked Jill and the students from the Art Trail Centre saying "we are always looking for foster and permanent homes for the many dogs we have; of the seven gold and black puppies there are three beautiful golden boy puppies who are still looking for a new mum and dad to give them a good home". Lyn also has other older dogs which are house trained and looking for a loving person or family, if you are interested in learning more or offering help please contact Lyn on 01425 477676.
